SUBJECT: FUND RAISING BY STUDENTS

Fund raising projects in which students sell merchandise, provide services, or in other ways solicit money for school activities may be sponsored by recognized school organizations with the express approval of the building principal or designee. Any such plan shall have a clearly defined purpose and, in general, shall contribute to the educational experience of students and shall not conflict with instructional programs. Fund raising activities away from school property shall be held to a minimum.

Sales projects undertaken by any organization using the Ravena-Coeymans-Selkirk Central School District name shall require previous approval of the Superintendent or his/her designee. Profits shall be used to enhance school programs by providing money for expenditures not normally funded by the District.

All participation shall be voluntary, with parents signing an opt out option if they do not want their child(ren) to participate in any school sponsored fund raising event.

All fund raising activities must be conducted in a safe and orderly manner. Students will not be placed in unsafe conditions where the likelihood of injury is increased.
